

Hello Valley Vista Families, this is Dr. Emery your school's principal calling with an update for our Kindergarten parents.

Well, mishaps and all, we got all our Kindergarteners in their classrooms and they are off to a great start!

For today, **pick-up is at 1:20 PM**. We ask that you **DRIVE**-through the school front parking lot, staying **in your car**, in a **single file line**. We recommend a placard on your dashboard right-hand side with your child's **First Name, Last Initial** and **homeroom number** clearly visible. This will help the dismissal process move much quicker. I am attaching a template you could use if desired.

Please be patient, we will try to move cars along as quickly as possible.

For the next 2 days, Thursday and Friday, arrival times are like everyone else, at **8:15 AM**. Drive-by drop-off through Gate B, please.

Dismissal for this Thursday and Friday, for kindergarten students, is at 1:30 PM. Drive-by pick-up through Gate B, please.

After that, everyone, k-6th, starting on Monday, will be on the exact same school schedule.

Kinder through 6th grade students: Monday through Thursday

8:15 AM drop-off 2:40 PM pick-up

Kinder through 6th grade students: Fridays & other Minimum Days

8:14 AM drop-off 1:30 PM pick-up

See you at 1:20 PM in your cars, with your placard. Thank you for your cooperation & patience. We appreciate it.
