

Hello Dear Room Parents,

We had a meeting on Thursday in our Food Arbor Plaza and discussed the following:

- 1) **Running Club** will begin in January 2022. We **need volunteers from 7:40 to 8:15 AM** any & all of the days of the week. This is run completely with parent volunteers. It is organized and monitored by Mr. Wallbank. He creates and houses all the materials necessary. The teams of parent volunteers run it. Ms. Lara helps organize the Running Club volunteers. The days per week we will have Running Club is determined by when we have volunteers to run it. Please let me know via email if you can help and on which days you are able to volunteer from 7:40 to 8:15.

- 2) **Holiday Door Décor:** We are asking Room Parents to decorate or get someone to decorate their classroom's door like a gift or with holiday cheer. If you have a roll of old Christmas gift wrap, bows, or ribbon to donate, send it to school or drop it off at the front office. Ms. Lety will loan out the blue tape to use to protect the paint on the doors (please return the roll when done using it). If you will not be able to make it here to decorate your classroom door, please let me know so we can get another volunteer to do it – *thank you!*

- 4) **School Dine Out** will be on **Wednesday, December 15th** at both **El Pollo Grill** locations (Bonita and Birch Rd.). Flyers will be made available – in front office, in PeachJar, and on the PTO Facebook, school blog, etc. Our school will receive 30% of the profit in sales that day!

- 5) **myOn from Renaissance** is a Digital Library available for at home reading – especially during breaks for all students K-6th. Students can access this program through the cvesd.org website with their single sign-on. It has thousands of books in both English & Spanish.
